DOCUMENT 1 | PARTICIPATION AGREEMENT | 1 OF 2

Risk acknowledgment & waiver

This agreement is between **10TH PLANET JIU JITSU CLUB LLC** (the Academy) and the participant below. A parent or legal guardian must complete and sign for a participant under 18. Read both pages before signing.

Participant full name: _____	Date of birth: _____
Email: _____	Mobile: _____
Emergency contact: _____	Relationship / phone: _____

1. Activities covered

This agreement applies to Academy-organised jiu-jitsu (gi and no-gi), grappling, wrestling, Muay Thai, MMA, fitness and strength training, instruction, drills, sparring, open mats, personal training, seminars, and supervised internal matches, in-house tournaments and league fixtures in which I choose to participate. It covers Academy-organised sessions at its premises or an identified external venue. Activities remain subject to the rules, eligibility and safety requirements applicable to each session or event.

2. Specific risks and voluntary participation

I understand that combat sports involve close physical contact, strikes where permitted, throws, takedowns, falls, joint locks, chokes and strenuous exertion. Risks include bruises, cuts, sprains, fractures, dislocations, dental and eye injuries, concussion, loss of consciousness, neck or spinal injury, paralysis, infection, cardiac events and, rarely, death. Risks arise from my actions, other participants, differences in size or experience, equipment and the activity itself. Supervision and precautions reduce but cannot eliminate these risks.

I voluntarily accept the inherent risks of the activities I choose, including those remaining when reasonable care is taken. I may decline a technique, stop a round or withdraw from an activity. I will ask for clarification where I do not understand a risk or instruction. This acknowledgment is not a representation that every injury is unavoidable or that another person cannot be legally responsible.

3. Health disclosure and readiness

I have disclosed relevant injuries, conditions, medications and restrictions that could affect safe participation, including previous concussion, heart conditions or loss of consciousness. I will promptly report changes and obtain medical advice or clearance when indicated by my condition or reasonably requested by the Academy. I will not train while impaired, acutely unwell, or with a suspected contagious skin condition. Coaches do not provide medical diagnosis or medical clearance.

Relevant conditions / restrictions (or write NONE): _____

DOCUMENT 1 | PARTICIPATION AGREEMENT | 2 OF 2

Safety, consent & acceptance

4. Safety duties and physical contact

I consent to reasonable, sport-appropriate contact for instruction and training. I will follow coaches, respect partners, use only permitted techniques, tap or verbally submit promptly, and immediately release a submission when a partner taps, verbally submits or a coach stops the action. I will stop if a partner cannot respond normally, report injuries and hazards promptly, and use required protective equipment. I will not continue after suspected concussion until medically assessed and appropriately cleared. Coaches may stop or restrict participation for safety. Consent does not extend to abusive or unauthorised contact.

5. Legal responsibility and limited waiver

To the extent UAE law permits, I release the Academy and its owners, staff, authorised coaches, contractors, volunteers and premises owners only from claims arising solely from inherent sporting risks that remain despite reasonable care. **This agreement does not exclude or limit liability for negligence, wrongful or intentional acts, breach of statutory duties, or any liability or right that cannot lawfully be excluded.** It does not prevent a lawful claim or complaint. Responsibility for an incident will be determined under applicable law; signing does not itself prove that reasonable care was taken.

6. Emergency assistance and personal belongings

If reasonably necessary, I authorise staff to arrange first aid, emergency services and contact with my emergency contact. For a minor, reasonable efforts will be made to contact the guardian without delaying urgent assistance. Treatment is decided by qualified healthcare professionals under applicable law. I remain responsible for my lawful medical costs; no personal accident or medical insurance is promised by this agreement. I should secure valuables. The Academy is not an insurer of belongings, but remains responsible where liability is established under applicable law.

7. Optional photography, video and streaming consent

Choose separately below. If I opt in, the Academy may record and use my identifiable image and voice in Academy training and event content, livestreams, website and social media, and promotional advertising, including through its appointed production providers. Public internet content may be viewed and shared worldwide. No sale or unrelated third-party endorsement is authorised. Declining does not prevent ordinary membership; staff will discuss practical arrangements for recorded events.

[ ] YES, I consent **[ ] NO, I do not consent** (If neither is selected, no consent is given.)

I may withdraw consent for future recording and use through my website account or written notice to reception. The Academy will stop new uses and remove content it controls where legally required, but cannot guarantee recall of third-party copies or reverse a completed livestream. Withdrawal does not invalidate prior lawful use. For minors, the signing guardian makes this choice. Essential membership and safety data are used to administer services, manage emergencies and meet legal duties, with access restricted to those who need it. Privacy questions and rights requests may be made through the same channels.

8. Participant / guardian acceptance

I have read both pages, understood the risks and had an opportunity to ask questions. For a minor, I confirm my parental responsibility or legal authority, consent to participation, and will explain the safety rules in an age-appropriate way. I do not purport to waive any rights of the child that cannot lawfully be waived. UAE law applies; competent Dubai courts have jurisdiction, subject to mandatory legal rights. Invalid provisions do not invalidate the remainder.

DOCUMENT 2 | MEMBERSHIP AGREEMENT | 1 OF 2

Membership terms & payments

These terms govern membership with **10TH PLANET JIU JITSU CLUB LLC** (the Academy). Complete the plan details before acceptance. The participant and any paying adult must understand the agreed charges. A parent or legal guardian signs for a member under 18.

Member full name: _____	Date of birth: _____
Email / mobile: _____	Payer name (if different): _____
Plan / included activities: _____	Start date: _____
Fixed end date (if applicable): _____	Price incl. VAT: AED _____
Billing interval: _____	Next charge date: _____

1. Plan type and recurring-payment choice

Select one: [ ] Fixed-term prepaid, ending on the date above; no automatic renewal.
[ ] Recurring membership, billed at the interval and price above until cancelled under clause 3. No recurring authority exists unless this option is selected and expressly accepted.

The plan summary or accepted website order must state the duration, included services, total price including applicable VAT, billing interval, renewal basis and any agreed promotion. These details form part of this agreement. A specific variation applies only if clearly disclosed and accepted before purchase and lawful. In a conflict, mandatory law prevails, followed by the accepted plan details and then these general terms. No undisclosed minimum commitment or cancellation fee applies.

2. Payment authorisation

For an expressly selected recurring plan, I authorise the Academy, through its payment provider, to charge my designated payment method for the agreed membership amount at each agreed billing date. This is not authority for unrelated charges. Any change to price or billing interval requires advance notice and my express acceptance before charging the changed amount; otherwise I may end the plan before that renewal. Payment details must be kept current and handled through the authorised payment provider, not written on this form.

Membership payments should be made through the website. No surcharge applies simply for paying by card. Any optional service charge must be lawful, separately identified and accepted before purchase. If payment fails, the Academy will notify me and may suspend access while the matter is resolved. Disputed amounts will be reviewed; no undisclosed penalty applies.

3. Cancellation and renewal

Cancel a recurring plan through the website cancellation function, where available, or by written notice to reception. Give at least **7 business days** before the next billing date. For this notice period, business days are Monday to Friday excluding UAE public holidays. The Academy will record the receipt date and acknowledge the request. If acknowledgment is delayed, the actual receipt date still governs.

A timely cancellation stops the next renewal; access continues to the end of the paid period. A later notice normally takes effect after the next paid period, subject to applicable rights and any expressly agreed earlier cancellation. Fixed-term plans expire without renewal unless separately agreed. Cancellation stops future renewals and does not, by itself, create a refund for an already supplied period. Cancelling payment authority and ending any contractual payment obligation are distinct; no amount may be collected without a lawful basis.

DOCUMENT 2 | MEMBERSHIP AGREEMENT | 2 OF 2

Access, freezes & member rights

4. Freezes, medical restrictions and refunds

Ordinary freezes: up to **two approved freezes of up to 10 calendar days each per calendar year**, requested in writing before the proposed start. Approval and revised expiry / billing dates will be confirmed in writing. Approved freeze days extend the paid entitlement and shift future billing so the frozen period is not charged twice. Routine retrospective freezes are not available.

Pregnancy, significant injury or illness requiring a longer pause will be considered separately with appropriate supporting information; the ordinary 10-day limit is not automatically applied. Pregnancy does not automatically end membership or require disclosure of unnecessary medical details. Participation must follow appropriate medical advice. If permanent disability makes all included services unsuitable, future obligations end from the evidenced onset; any unused prepaid balance will be assessed fairly. On death, future charges cease and the unused prepaid balance is refunded to the lawful recipient, less services supplied before death.

Prepaid fees are normally non-refundable for a change of mind, voluntary non-attendance or ordinary travel. Unused classes do not roll over unless the plan expressly says so. **These rules do not remove statutory refunds, compensation or other remedies.** If the Academy cannot provide the contracted service, it will offer a lawful remedy, including an appropriate refund where required; an extension or credit will not replace a refund entitlement without agreement.

5. Bookings, timetables and service changes

Members must register and book through the website where required. Access is limited to the purchased plan, available capacity, suitable age / experience groups and designated hours. Membership does not guarantee a particular coach or competition result. Reasonable timetable or coach changes may be made with notice where practicable. Material reductions, prolonged closures or cancelled services will be addressed fairly under applicable law, including applicable refund rights. A cancelled booked class will be restored or an alternative offered, without limiting other remedies.

6. Conduct, supervision and safeguarding

Members must follow safety rules, keep uniforms and equipment clean, cover wounds appropriately, avoid training with contagious conditions, and refrain from bullying, harassment, discrimination, deliberate injury or unsafe conduct. No unauthorised recording of others is permitted. An adult must accompany and remain available for under-18s throughout class; any alternative collection or supervision arrangement requires express written Academy approval. Guardians remain responsible for timely collection. Academy staff remain responsible for appropriate supervision during instruction.

The Academy may immediately stop unsafe conduct and temporarily suspend access where reasonably necessary to protect people or investigate a serious concern. It will explain the reason, allow a response where practicable, and use proportionate measures. Serious or repeated misconduct may lead to termination. No automatic forfeiture of all prepaid fees applies; any refund or lawful deduction will reflect services supplied, the circumstances and mandatory rights.

7. Internal events, privacy and complaints

Internal matches and league fixtures require eligibility, coach approval, the participation agreement and compliance with communicated event rules. Entry fees, prizes and any special event conditions must be disclosed separately before entry; membership does not guarantee participation or a prize. Filming choices are recorded separately in the participation agreement. Raise billing, privacy or service concerns through the website account or written notice to reception; the Academy will investigate and respond. Members retain access to competent consumer authorities and courts.

8. Agreement and acceptance

UAE law applies and competent Dubai courts have jurisdiction, subject to mandatory rights. An invalid term does not invalidate the remainder. Material changes require notice and express acceptance before applying to an existing paid commitment. Electronic acceptance must retain the accepted version, date and plan details. I have read both pages and accept the completed plan and these terms; recurring charges apply only if selected on page 1.
